

TEST DRIVE YOUR TOPIC!

Name: _____

Instructor: _____

Date: _____

Topic (s): _____

Now that you have seen some of Kelly Library's resources and finding tools, try your hand at finding relevant information on a topic of interest in this class.

- 1) Using **E&H OneSearch**, the **catalog**, or **Academic Search Complete**, find a **book, ebook, DVD, or periodical article** about your topic.

Which source did you use to find this item? _____

Keywords or search terms used: _____

Title (if book): _____

Author / editor (if book): _____

Call number (write "ebook" if it's digital): _____

Which library owns it (E&H, King, WCPL, TCPL)? _____

OR

Article title (if periodical): _____

Article author (if periodical): _____

Journal title: _____

Date: _____ Volume: _____ Issue: _____ Pages: _____

- 2) Using **E&H OneSearch**, the **catalog**, **Biography in Context**, or the **print reference** sources listed on p.1 of your guide, find **biographical information** on one of the authors of the titles you are reading.

Which author did you choose? _____

Which source did you use? _____

What information did the source lead you to (book, periodical article, article within a reference title, etc.)?

If you have difficulty locating information, please speak with one of the librarians (Jane, Jody, Janet, Ruth).
