Don't forget to check the [E-Journals by Title](#) list if a periodical title is not full-text in a database—it may be full-text in some other database Kelly Library subscribes to.

Also, note that Kelly Library has the *New York Times* on microfilm for the WWI and WWII years, and paper issues in **Bound Periodicals** of *Life*, *Newsweek*, *Time*, and *U.S. News & World Report* covering WWII.

--If you've registered and forgotten your password, please don't register a 2nd time.

--Allow 5-7 working days for materials to arrive (especially books).

--Limit requests for returnable materials to 10 requests at one time.

--Check the [catalog](#) and the [E-Journals by Title](#) list to make sure the material isn't already available.

Documentation

--Must give credit to the author when using direct quotes or paraphrasing unique ideas to avoid plagiarism.

--Kelly Library has copies of both Turabian's *Manual for Writers of Term Papers, Theses and Dissertations* and *The Chicago Manual of Style* on permanent reserve. Ask for these at the Circulation Desk.

--Take a look at **Documentation** under the [Research Tips](#) link on the library web page.

----The [Chicago Style Quick Guide](#), the [OWL](#) (Online Writing Lab) at Purdue, and the [Diana Hacker](#) website are good.
